Knöpfe, Boutons, Buttons

No. 04

ÜBER | A PROPOS DE | ABOUT

Die UNION-KNOPF-Gruppe, Europas größter Knopfhersteller, steht seit einem Jahrhundert für hochwertiges Design, Qualität und Eigenproduktion. Pro Saison werden spezifische Kollektionen mit über 300 Modellen von einem eigenen Designteam erstellt. Über 700 Mitarbeiter weltweit gehören zur Basis des Erfolges.

Für den Facheinzelhandel bietet UNION KNOPF eine eigene Produktschiene, bei deren Kollektionserstellung der modische Vorsprung unseres jahrzehntelang in der Modebranche tätigen Industrieunternehmens zum Tragen kommt. Die zweimal jährlich speziell entwickelten Kollektionen sind auf dem gesamten europäischen Markt aufgrund ihrer modischen Aktualität sehr gefragt. Der wachsenden Nachfrage im Heim- und Hobbybereich wird mit accessoirebegleitenden Produkten wie Bänder, Borten und Applikationen entsprochen.

Depuis plus d'un siècle, le groupe UNION KNOPF, le plus grand fabricant européen en matière de boutons, est synonyme d'excellence dans le domaine du design et de la production d'accessoires de haute qualité. Chaque saison, l' équipe de design d'UNION KNOPF crée des collections comprenant plus de 300 modèles spécifiques. UNION KNOPF, qui a bâti une entreprise couronnée de succès, fait face aux défis de notre temps avec une équipe de plus de 700 employés, en proposant à ses clients un réseau national et international de vente et de service.

Pour le commerce de détail spécialisé, UNION KNOPF offre un propre canal de vente, qui profite énormément de l'étroite collaboration du département design et de ses connaissances approfondies dans le domaine de la technologie et de production industrielle. Nous développons deux collections par an qui, en fonction de leur contenu mode, font l'objet de demandes pressantes de le part de notre clientèle internationale. Pour répondre à la demande croissante en matière de produits pour la maison et les loisirs, nous avons élargi notre choix d'articles apparentés aux accessoires, comme les rubans, les galons, les appliqués etc.

Since the UNION KNOPF was founded a century ago, the UNION KNOPF Group has grown to be the largest European button manufacturer. Our key objective has always been the design and production of high quality and style in-house products.
Our in-house design team creates more than 300 styles per season. Today, more than 700 employees worldwide ensure the quality of our modern garment accessories in Germany and abroad and turn our daily challenges into a success story.

For the specialized retail trade, UNION KNOPF offers an individual range of products that benefits from our leading role in fashion, technology and industrial production.
Twice a year, UNION KNOPF launches a new collection which, due to its innovative and sophisticated style, always generates European top sellers. The increasing demand for home and hobby products is satisfied by a large choice of accessory-related products like ribbons, trimmings or applications.
